

KITE MAKING

- ✧ Take a piece of bristol board and create your main kite shape (perhaps a diamond).
- ✧ Using the materials provided cut out your shape and create a supportive cross-section to give the kite its shape and strength.
- ✧ Decorate your kite.
- ✧ Attach cross-section using materials provided.
- ✧ Attach decorations such as a tail, etc.
- ✧ Attach the string to the middle of the cross-section. Make sure you have enough to let it fly high in the air.
- ✧ Go fly your kite!
